Happy Father's Day!

Dear Brother SKs and Ladies:

I hope everyone with children had a most wonderful Father's Day with their families!

I want to thank everyone who helped with all the 4th Degree "Call Outs." Keep it up!

I want to especially thank everyone who showed up for Honor Guard at the funeral showing for Lady Teresa Joos. The family was very appreciative of our presence there.

This newsletter does not give me space to write the name of every Knight, but I must Thank you all as a group for the help extended as support to me as we worked on our projects. I know it can be difficult to sacrifice that time which could have been spent with your families. So, I also extend my appreciation to all our "Ladies" for allowing their husbands to give their time to the Knights of Columbus.

I do have one particular couple who I need to give a personal and public THANK YOU! Captain Mike Elston and his Lady Kris. Together they are a Dynamo! Mike cooked the food for the exemplification, Kris helped serve the food and set up the hospitality areas! I could not of asked for better help or more talent for organization than these two people are blessed with. Mike and Kris-we could not have pulled it off without you. Know you are appreciated and we are blessed to have you with us.

Congratulations to Steve McClellan, our new Navigator, and to all of our new officers. I've tried my best to be a good Navigator for the Assembly. I know as I step down from this position that I am leaving you in good hands! Remember, we only stand strong when we help each other. Please continue to recruit more young Knights to the Fourth Degree!

I must close this letter with one last thank you to my wife, Lady Maureen. Many of you may think I write my own articles for this newsletter. In actuality, I give my wife notes about what I want to say, and she types it into the computer as these wonderful letters for you to read. I believe she has done a wonderful job, and I wish to thank her for all she does for me!

Fraternally Yours,

SK R. Wayne Patterson
