## Captain's Report

Greetings Sir Knights and Ladies,

We will be meeting at 6:45 PM 6/19/19 at St Pius X for dinner prior to that night's assembly meeting.

I introduced you to my mother's family Pasta Fazool recipe two months ago and told you the story about how it became a family staple early in the 20th Century, during World War I. I will be using my family cookbook again. We will be having creamed chicken and biscuits this month (June). Clarence and Claire Stanley (my paternal great-grandparents) owned a store outside of Sandusky, Ohio, aptly named Stanley's, that was attached to the family home in the middle to late 1900's. They operated as a grocery and a bar; they sold eggs, milk, butter, etc. on one side of the store and served wine, beer, and liquor on the other side. My great-grandmother would make creamed chicken every Sunday for her customers. They would often buy one or two quarts to take home and serve with their homemade biscuits or toast for their Sunday dinners. Clarence and Claire's home still stands on Mason Road and a bar is still attached. The house is now mainly used for storage and office space for the bar. Stanley's current name is The Mason Jar.

Families with surname A-M, please bring a side dish to share. Families with a surname N-Z, please bring a dessert. Don't forget cash to donate the Captain's Fund.

Who will take my place as Faithful Captain? Going forward, if approved by the Assembly, we may be able to have an FC serve during our meetings for the ceremonial duties and to maintain the FC meal inventory (plates, plastic ware, soda, etc.), while each month an SK will be assigned/volunteered to prepare the main course and set up for dinner.

## SK John Stanley

## Culture of Life: Dr. William Lile

*Supporting Life From Conception Until Natural Death*

In 1999, Dr. William Lile and a partner bought out one of the busiest Florida abortion clinics, immediately ending the abortions there and putting the previous provider into retirement. Dr. Lile then began to use the tools once used for destroying innocent life to defend it. His passion for protecting the unborn grew, lending him the nickname "The Pro-Life Doc". Today he continues to practice medicine, teach, and speak out in defense of human life. Dr. Lile has reached a national audience with his perspective on extreme abortion laws, like the ones passed in New York and proposed in Virginia, which he responds to from both medical and scriptural perspectives and by his work on abortion pill reversal and rescue, which he not only provides in-clinic but serves on the medical advisory board for at Heartbeat International.

**Dr. Lile will be the special guest speaker at the Greater Columbus Right to Life banquet at Villa Milano at 6:00 pm Monday, June 10, 2019. Please join us at the Seton Respect Life table for this FREE dinner.** Guests will have an opportunity to make a donation in support of GCRTL after dinner.

**Please contact Edd or Vicki Chinnock at 740-927-5099 or [echinnock@aol.com](mailto:echinnock@aol.com) to reserve your place at our table.** We look forward to seeing you there!
